

FALL TRAINING CONFERENCE 2016

Financial Assistance Tips

Money doesn't grow on trees. As college students, sometimes we struggle to pay for things we really want. Need help paying for Fall Training Conference 2016? Here are some tips:

- **Ask Kiwanians to sponsor you**
 - Explain to them the importance of FTC and why you want to go
- **Auction services/goodies to Kiwanians**
 - Offer to repaint their house, do some gardening, cook them a meal, etc.
 - You can do this at a Kiwanis meeting!
- **Host a yard sale**
 - Got old clothes you don't wear anymore? Board games that are just sitting there collecting dust? Sell them!
- **See if your school has any leadership grants available**
 - Schools often provide grants for students to travel to leadership events and conferences. See if your school offers these and what the application process is.
- **1/3 1/3 1/3 plan**
 - Make a deal with your school club and Kiwanis club that if you can raise 1/3 of the cost of FTC yourself, the school will fund 1/3 of the cost, and the Kiwanian club will pay 1/3 of the cost.
 - Offer to be the speaker at a Kiwanis meeting after FTC to give a presentation about your experience at FTC and what you learned from it.
